PEG Scale Assessing Pain Intensity and Interference (Pain, Enjoyment, General Activity)

at number best describes how, during the past week, pain has interfered with yo <u>yment of life</u> ?

0 1 2 3 4 5 6 7 8 9
Does not Con
interfere in

Computing the PEG Score.

Add the responses to the three questions, then divide by three to get a mean score (out of 10) on overall impact of points.

Using the PEG Score.

The score is best used to track an individual's changes over time. The initiation of therapy should result in the individual's score decreasing over time.
